Hello Parents,

Here's the latest from the 3rd-5th grade classroom.

**Spelling:** Next week's spelling list is attached. Please note that the test next week will be Thursday instead of Friday, due to the Bonduel Track and Field Day (and St. Paul Track and Field Day) on Friday.

**Science:** In science this week, the students built their very own flashlights from scratch! They did a wonderful job with this. The 3rd-4th graders can be seen with their flashlights on the right. Next week we will begin work on our houses. We could still use a few extra boxes for these if anyone has any. Thanks!

**Spanish:** In Spanish this week, we celebrated Cinco de Mayo with a little fiesta. The students also had the opportunity to make a Piñata. These Piñatas will go home at the end of the school year for students to break open to celebrate the kick-off of summer vacation.

**PTL Hot Lunch:** The final PTL Hot Lunch is next Thursday, May 17th. Remember to send \$1.50 per child.

**Thank You:** Thank you to everyone who has remembered the teaching staff at St. Paul this week through your kind thoughts, gifts, and prayers. We appreciate being a part of your children's lives!

Happy Mother's Day to all moms! We hope to see everyone this weekend at the softball tournament. Blessings on the rest of your week!

In Christ,  
Miss Bernau
